

## Rachael's Rescue

Animal shelters throughout the country take in between 6 and 8 million new animals each year. These animals are in desperate need of stable homes with loving people with whom they can share their lives.

Heartbroken by the thought of animals facing these hardships, Rachael Ray has created [RachaelRescue.org](http://RachaelRescue.org), a website that highlights animal-related issues and organizations that are dedicated to helping at risk animals through adoption, medical care and educational programs, along with training and outreach initiatives. In support of their work, a portion of the proceeds from each sale of Rachael Ray's Nutrish pet food and snacks will be donated to exceptional organizations, such as those listed on [RachaelRescue.org](http://RachaelRescue.org). This list will change and grow, so web site visitors are encouraged to check back often to read about folks making a difference in animal welfare.
